PRESS RELEASE

Discover Ashton's Historic Heritage!

Ashton Civic Society will be leading a free guided walk looking at some of the historic parts of Ashton to celebrate Civic Day on **Saturday 22nd June**.

The walk will begin outside the entrance to Ashton's new **Library** on the Market Ground at **11.00 am** and is expected to last about an hour.

This is your opportunity to step back in time and discover some of the details of Ashton's fascinating history.

Ashton Civic Society aims to promote high standards in planning and architecture in the town and to share with the public the historic and architectural heritage on their doorsteps. New members who share these interests are always welcome.

Civic Day is a nationwide celebration of civic pride, organised by local groups under the national co-ordination of Civic Voice, with a focus this year on conservation areas.

This gently-paced walk is completely free and open to everyone. Come along and find out more about the buildings around Ashton town centre.
