# Welcome to Tameside's Cultural Events

We hope you will find plenty to enjoy in this programme of events throughout the Autumn, Winter and Spring months. The wide range of activities offers something for everyone, whatever your interest, age or ability.

Tameside has a great deal to offer the visitor, both indoors and outdoors. The Museums and Galleries have changing exhibitions and activities, allowing you to make return visits and always find something new to see and do. There are a great variety of parks and countryside to enjoy, from the formal Victorian town parks, to the meadows and woods of the valleys and the high open moorland. Tameside's green space is great for exercise and, as well as being good for the body, it's good for the soul, providing opportunities to relax, find peace, inspiration and contemplation, and a general sense of well-being.
